# Business Credit Cards for Scaling Businesses

## 1. Cardiff Business Rewards Credit Card

Cardiff's business rewards card supports ongoing growth with a 0% introductory APR for the first year and revenue-based repayment options. Plus, the option to draw a business cash advance loan against your available credit.

## 2. American Express® Blue Business Cash Card

The Blue Business Cash Card provides 0% APR for the first year, and combined with cash back bonuses when you sign up, can give you financial breathing room from the start. You can earn cash back on all your purchases to help repay any balances you carry on the card.

## 3. Chase Ink Business Preferred® Credit Card

Chase's Ink Business Preferred card rewards you with significant points on advertising purchases made with social media platforms and search engines, travel, Lyft rides, shipping purchases, and internet and phone services.

## 4. Capital One Spark Cash Plus

The Spark Cash Plus card earns unlimited 2% cash back on every purchase and adjusts purchasing power based on spending patterns, making it well suited for businesses with growing or unpredictable expenses.

## 5. Brex Corporate Card

Brex sets your credit limit based on your revenue, dollars raised, expense profile, and other financial details rather than your personal credit score, so more companies can access a Brex card and the purchasing power they need.
